AFRICA ECO RACE 2022

NEW DATES

The organizing team of Jean Louis SCHLESSER is working hard to create a very special 14th edition of the AFRICA ECO RACE in 2022. An edition full of surprises and emotion after a year of absence due to the global pandemic.

To be sure that all the competitors can reconnect with their passion and project themselves towards some sort of “back to normal”, we wish to make sure we can guarantee optimal sanitary conditions with a reduced protocol across Morocco, Mauritania and Senegal. Therefore, it was decided to **change the dates** of the AFRICA ECO RACE 2022.

The AFRICA ECO RACE 2022 will therefore take place:

March 11 and 12, 2022

Checks and Official Departure in the South of France
Boarding of the boat for Morocco

March 15 to 26, 2022

Arrival of the boat in Morocco and 1st stage
12 stages through Morocco, Mauritania and Senegal
1 rest day

March 27, 2022

Final stage along Lac Rose
Podium and awards ceremony
Embarking of the vehicles at the port of Dakar

Beginning of April 2022

Arrival of the vehicles in France

We look forward to seeing you all for this 14th edition of the AFRICA ECO RACE to share this well awaited reunion together.
