

An aerial photograph of a large outdoor event, likely a car show or festival, held on a sandy bank next to a wide, muddy river. The event area is filled with hundreds of cars, trucks, and people. There are several white tents and a central structure. The background shows a vast river and a distant shoreline under a clear sky.

# AFRICA ECORACE®

**PACKAGE VIP 2022**  
**14<sup>th</sup> EDITION**
